Council and Committees

Coquitlam City Council

Coquitlam City Council is comprised of one Mayor and eight Councillors who are elected for a four-year term. The next General Local Election will be held in October 2026.

Members of the 2022-2026 term of Council include:

Mayor:	Richard Stewart
Councillors:	Brent Asmundson Matt Djonlic Craig Hodge Steve Kim Trish Mandewo Dennis Marsden Robert Mazzarolo Teri Towner

Council is a legislative (lawmaking) body with responsibility for exercising all legislative and administrative authority conveyed upon the City of Coquitlam (“the City”) by the Provincial Government, primarily through the *Local Government Act* and the *Community Charter*. The Mayor is the head of Council and, as per the *Community Charter*, is the Executive Officer of the City.

Coquitlam Committee Structure

There are a number of different committees that exist in the City of Coquitlam. Each one differs based on its function, the members appointed to the Committee, and its meeting schedule.

Coquitlam Advisory Committees

Section 142 (1) of the *Community Charter* authorizes Council to establish and appoint an advisory committee to consider or inquire into any matter and to report its findings and opinion to the Council.

Council adopts Terms of Reference for each advisory committee which include its mandate, term, composition and procedures.

For 2023 Council has established the following advisory committees:

- Community Safety Advisory Committee

- Culture Services Advisory Committee
- Economic Development Advisory Committee
- Multiculturalism Advisory Committee
- Sports and Recreation Advisory Committee
- Sustainability and Environmental Advisory Committee
- Universal Access-Ability Advisory Committee

Information regarding each of these committees, including meeting schedule, committee membership, mandates, Terms of Reference, and work plans, can be found on the City's website at www.coquitlam.ca/committees.

Statutory Committees

Statutory committees, also known as boards, commissions or committees are established pursuant to facilitating legislation and serve at an arms-length capacity to the Council on behalf of, or in cooperation with, the municipality. Examples of such committees are:

- The Library Board (established pursuant to the *Library Act*); and
- The Board of Variance (established pursuant to the *Local Government Act* (s. 536)).

Composition and Expectations of Advisory Committees

The Role of the Committee Chair, Vice Chair, Members, and City Staff

The Role of Chair and Vice Chair

Advisory committees are established by Council and are typically comprised of Council members and residents. The Chair and Vice Chair of an advisory committee are Council members.

The role of the Chair is to lead the meeting and to ensure that all committee members present have the opportunity to speak. The following identifies more specific duties of the Chair:

- Sets the agenda
- Ensures that a quorum is present and opens the meeting at the prescribed time
- Ensures the committee adheres to the agenda
- Prevents new issues from side tracking the agenda

- Maintains the meeting length to 2 hours
- Enforces the rules of decorum
- Respects members' views
- Seeks agreement and builds consensus
- Assists committee members to state motions clearly and succinctly and calls for vote on each motion
- Declares the meeting adjourned

The Vice Chair may attend any or all meetings and in the absence of the Chair, will chair the meetings.

The Role of Committees

Committees are established to:

- Provide information and well considered advice to Council and staff on issues of concern to the public and the City
- Provide recommendations for consideration by Council and staff
- Undertake work referred by Council and work within the direction provided by Council

The Terms of Reference sets out the Committee's mandate and duties. Committees can only consider issues within those areas specified in the Terms of Reference.

Once a Committee has submitted its recommendation to Council via the meeting minutes, it is Council's decision on how to proceed with the recommendation i.e. receive, approve, amend, defer, refer or decline the recommendation.

Committees require approval from Council before initiating projects or requesting the use of staff resources. If a Committee requires staff to undertake work, the staff liaison is obligated to advise the Committee whether or not staff can undertake the work and if authority is required from Council or the City Manager.

The Role of the Staff Liaison

A staff liaison is defined as the staff member assigned to assist a committee in a non-voting advisory and resource capacity.

The staff liaison:

- Provides information and professional advice

- Supports the Chair in developing agendas and supporting materials
- Coordinates and provides presentations and engagement activities to the committee
- Drafts committee reports
- Provides updates to the committee on committee work plan items

The staff liaison will advise the committee if a recommendation to Council is required prior to any staff activity on an issue. For example, committees will need to seek Council approval for new initiatives and projects requiring a significant amount of staff time or costs to determine if the resources can be allocated to the committee's request.

The Role of the City Clerk's Office

A Committee Clerk is assigned by the City Clerk's Office to provide administrative support to a Committee. The Committee Clerk:

- Prepares an agenda, based on the tasks identified in the work plan and in cooperation with the staff lead and the Chair
- Distributes agenda once approved by the Chair
- Attends meetings and records minutes
- Assists with process and procedural issues
- Prepares minutes and forwards them to Council for consideration
- Handles meeting logistics such as providing a schedule of meeting dates, times and locations, booking meeting rooms, rescheduling meetings if required, tracking member attendance for reporting to Council, assisting with committee volunteer recruitment and providing other administrative support as necessary

Minutes provide a general overview of the meeting and capture any action items (i.e. recommendations) and are not verbatim. The advice and any recommendations made at the meeting are detailed in the minutes and then forwarded to Council for consideration.

Committee Terms of Appointment

The terms of appointment for most committees expire in December each year, unless otherwise stated in the committee's Terms of Reference. Individuals may serve consecutive terms on any advisory committee. In the year of a General Local Election, committee meetings will wind up in September; however, appointments remain in place until December 31.

The terms and conditions of appointment for statutory committee members is determined by the enabling statute or establishing bylaw.

Attendance of Committee Members

Appointed members to an advisory committee or statutory committee are required to attend regularly scheduled meetings. **The Committee Clerk should be notified as soon as possible in advance of the meeting should the member not be able to attend a meeting.**

The Advisory Committee Meeting Schedule is set on an annual basis and available at www.coquitlam.ca/committees.

Any member who is absent from three consecutive regular meetings without notifying the Committee Clerk or the Chair in advance, or without a leave of absence, may be asked to resign or may have their appointment rescinded by Council.

Committee members are reminded that attendance is vital. Quorum, or the majority of appointed members present, must be in place throughout the duration of each meeting. Without quorum, the committee is unable to hold an official meeting and make recommendations to Council.

In-Person / Electronic Attendance. Members may participate in advisory committee meetings remotely via electronic or other communication facilities if the City Clerk has determined that electronic participation should be made available to members and is appropriate to the circumstance at the time the meeting is called. At present time hybrid meetings (in-person and electronic participation) are available.

Electronic Participation. Members joining electronically are encouraged to join from a quiet space with good internet connectivity, and to participate actively in the meeting without interruptions as if physically sitting at the meeting table. The Chair may make the decision to remove a member from the electronic meeting if the loss of their audio/video connection (i.e. repeated comings and goings) is deemed disruptive to the meeting process.

Conduct for Committee Members

All committee members should adhere to the following:

- Regularly attend meetings
- Prepare for meetings by reading agenda material in advance
- Listen to others and observe the rule of one speaker at a time
- Speak when acknowledged by the Chair and through the Chair
- Actively participate in discussion whether attending the meeting in person or electronically
- Observe rules of decorum and debate

- Do not misrepresent yourself as having any authority beyond that delegated by Council
- Put public interest above individual, group or social interests and consider this position as an opportunity to serve society
- Treat other committee members, elected officials, and municipal staff with respect and courtesy
- Never offer, give or accept gifts, favors, or services that might tend to influence the discharge of duties
- Never use position to secure advantage
- Never disclose confidential information
- Declare a conflict of interest and withdraw from committee participation on any matter that involves a direct or indirect personal financial interest

*Committee members may not be given access to or use details of the committee member contact list for personal or non-committee related business.

Removal of a Member from a Committee

Council may rescind appointment of or ask that a committee member resign at the request of the committee or on its own initiative.

Resignation of a Member

Any member of a committee wishing to resign from the committee is requested to provide the resignation in writing to the Chair with a copy to the Committee Clerk.

Committee Vacancy Replacement Term

In the event that there is a vacancy on an advisory committee, Council may, at its discretion, appoint a new member to fill the vacancy. The newly appointed committee member holds that position for the remainder of the existing term.

The regulations regarding statutory committee vacancies are determined by the enabling statute or establishing bylaw.

At the Meetings

Time and Location of Advisory Committee Meetings

Advisory committee meetings are generally held in either the Council Chamber or the Council

Committee Room located at City Hall, Main Floor, 3000 Guildford Way, Coquitlam, BC, and can be held electronically in accordance with Council Procedure Bylaw provisions.

The majority of advisory committee meetings commence at 7 p.m.; however, meetings may be held during the day if required. The date of the next meeting is identified on the current meeting agenda. Meetings are typically not held in August and December.

The Committee Clerk assigned to your committee will advise you of the meeting dates and times. Meeting dates and times are also provided on the City's website at www.coquitlam.ca/committees.

Quorum

Quorum of committee members for an advisory committee meeting is outlined in each committee's Terms of Reference, and typically consists of 50% plus 1 of the members in attendance. In some cases, the Terms of Reference stipulates that one of the appointed Council members must also be present for a quorum to be achieved.

Pursuant to the *Council Procedure Bylaw*, the Mayor is an ex-officio and voting member of all advisory committees, however the Mayor's attendance does not count towards quorum.

Quorum for statutory committee meetings is determined by the enabling statute or establishing bylaw for the committee.

Where a quorum is not present 15 minutes after the time established for a committee meeting to start, the person responsible for recording the minutes shall record the names of those members present and the meeting will be deemed to be cancelled. If quorum is not achieved or is lost during the meeting, the Chair may choose to continue the meeting on an informal basis. Should this occur, the Committee cannot vote on any issue or make any recommendations to Council. In this situation, while formal minutes will be taken for the portion of the meeting where quorum is upheld, only informal notes will be taken for the remainder of the time where quorum is not met.

Should quorum be lost due to a disruptive internet connection (e.g. a member's audio visual is lost or they repeatedly drop in and out of the meeting), the person responsible for recording the minutes shall note that quorum was lost, and add a notation to the minutes that states: "*Due to technical difficulties with internet access, a member could not vote/fully participate electronically and, therefore, could not be included as part of quorum.*"

Rules of Procedure

The Rules of Procedure are outlined in Appendix "A" to this document. Advisory committees and statutory committees follow these guidelines, provided the guidelines are not inconsistent with the committee's enabling statute, establishing bylaw, the *Local Government Act*, the *Community*

Charter, Council policy, or Council Procedure Bylaw. The Committee may also rely upon the advice of the Committee Clerk (or another representative from the City Clerk's Office) or the staff liaison for guidance.

Voting

All members of a committee, including the Chair and/or Vice Chair, (unless otherwise stated in a committee's Terms of Reference) may vote on any question before it. In the event of a tie vote, the motion is considered defeated. In accordance with the *Community Charter*, any member who abstains from voting, without having first declared a conflict of interest and leaving the meeting, is deemed to have voted in the affirmative. Proxy votes are not permitted.

Conflict of Interest

Committee members are subject to sections 100 to 104 of the *Community Charter*. A conflict of interest exists if a committee member is a director, member or employee of an organization seeking to benefit from the City or if the committee member has a direct or indirect pecuniary (financial) interest in the outcome of committee deliberations, or another interest in the matter that constitutes a conflict of interest.

Committee members who have a conflict of interest with a topic being discussed, must declare that they have a conflict of interest, describe the nature of the conflict and leave the room before any discussions and voting thereon.

A conflict of interest does not exist if the pecuniary (financial) interest of the committee member is in common with members of the general municipality or the pecuniary (financial) interest is so remote or insignificant that it cannot reasonably be regarded as likely to influence the member in relation to the matter.

The Committee Clerk notes in the minutes the committee member's declaration of a conflict of interest and the committee member's exit from, and return to, the meeting.

Remuneration

Committee members are volunteers and as such, serve without remuneration.

Sub-Committees and Working Groups

There are many ways in which committees may provide feedback to Council, although it is typically via the committee minutes. In some cases, there may be specific topics that require further investigation and research, or event planning to provide input to. In these instances, committees may establish sub-committees or working groups made up of a limited number of

committee members. Their purpose is to conduct research, gather information and/or brainstorm event planning so that the committee can discuss the findings and events.

These groups may work on their own (or in partnership with staff leads) and report back to the committee. In general, these groups are meant to undertake their work without regular support from staff or the City Clerk's Office. Sub-committees and working groups should *not* bring forward recommendations or directions to the committee, as that is a discussion that needs to take place within the committee as a whole.

Sub-committees and working groups may only have a limited number of members; the number of group members cannot equal quorum (the majority) of the whole committee. Council is advised of the establishment of these sub-committees and working groups and their work through the committee meeting minutes.

Following are some suggestions to help guide the organization and work planning of sub-committees and working groups:

1. Select a group leader and choose a name for your sub-committee
2. Schedule meeting dates
3. Meet in person, or use electronic meeting platforms such as Zoom to hold meetings
4. Prepare a discussion outline for each meeting
5. Assign a note taker and capture key information / findings
6. Provide information updates to the committee during regularly scheduled advisory committee meetings
7. Prepare a verbal or written final report with findings for the committee's consideration

Any questions for staff regarding the purpose or work of sub-committees and working groups should be directed by email to the Committee Clerk at committeeclerk@coquitlam.ca.

Further clarification on sub-committees and working groups are outlined in Appendix "B" to this document.

Meetings Open to the Public

All regular meetings of advisory committees and statutory committees are open to the public. The public may not be excluded from a meeting unless it is specified in the committee's enabling statute, establishing bylaw or where the committee is considering an item where, in accordance with applicable legislation, the public interest requires the exclusion of the public (section 90 of the *Community Charter*). Any member of the public may be asked to leave a meeting due to improper conduct as identified in Section 11.4 of the *Council Procedure Bylaw*.

Members of the public are observers and may not participate in the discussion unless they are invited by the Chair to speak or appear as a delegation to the advisory committee or statutory committee. A member of the public may also be permitted, by the Chair and the committee, to participate in a discussion. However, only members or persons appointed to committees by Council may move, second or vote on motions.

Members of the public will be asked to take a seat in the chairs designated for the audience.

Special Committee Meetings

Special committee meetings may be held outside of the regular schedule at the call of the Chair, by the Mayor or by resolution of Council.

Evacuating During a Meeting

The Committee Clerk or the person serving as recording secretary for the meeting is the designated Floor Warden during the meetings. Please follow their directions for evacuating the meeting room, should it be necessary, in a safe and orderly manner.

If the nature of the emergency requires that committee members leave the City Hall, emergency assembly point “C” depicted in the image below will be the gathering place to ensure all members are accounted for.

Additional Information

Reporting to Council

Advisory committees report to Council through recommendations in staff reports or recommendations in the minutes recorded at the meeting. Recommendations should be worded in a concise, action-oriented manner.

In some instances, the committee does not require a recommendation to go forward to Council. For example, should the committee want to establish a working group, it is not necessary for this request to be handled through a recommendation, but can be identified through the committee minutes. Council is kept apprised of all committee activities through the regular distribution of committee minutes.

Authority

Advisory committees do not have the authority to communicate on behalf of the City, to pledge the credit of the City or authorize any expenditure on behalf of the City except as expressed in the advisory committee's Terms of Reference.

The authorized spokesperson for each advisory committee is the Committee's Chair.

Budget

Advisory committees and statutory committees do not typically have a budget allocated to them. They may request budget funds from Council in accordance with the City's budget preparation schedule and procedures. Any solicitation of funds from other organizations requires prior approval of Council. All committees have reasonable use of City services such as photocopying, paper supplies and meeting areas. Committee members may contact the Committee Clerk for more information on budgets or the use of City services.

Personal Liability

No member of a committee is liable for any debt or liability of the committee. It is the responsibility of the City to ensure that members of committees are insured against all liabilities related to fulfilling their responsibilities and duties as members of a civic committee.

Further Information

Committee members can obtain further information from the Chair or the Committee Clerk at committeeclerk@coquitlam.ca.

APPENDIX “A”

Committee Meeting Guidelines

The Agenda

An agenda is prepared and forwarded to all committee members approximately one week prior to the date of the meeting. For a meeting to be productive, members should:

- Review the agenda and accompanying reports ahead of time
- Prepare questions

Handling the Business of the Meeting

Good decision making requires:

- Background information
- Options and recommendations through discussion
- Preparation before the meeting
- Active participation in the meeting
- Regular attendance
- Cooperation by all meeting members
- Consideration of others' ideas and opinions

Voting and Debating Rights

Each member of a committee, including the Chair, may make or second motions, may debate motions and may vote (with the exception of the Culture Services Advisory Committee, Sports and Recreation Advisory Committee, and the Sustainability and Environmental Advisory Committee as Council members appointed to these bodies are non-voting members). Proxy votes are not permitted.

Other Procedures

Council receives input from committee members through the committee's minutes. Members may establish sub-committees or working groups to conduct further research and prepare information for Council.

Making Motions - Committee Recommendation

A committee recommendation is a motion adopted by majority of the committee to ask for a formal action by Council. These motions or recommendations are recorded in the minutes and forwarded to Council.

The steps of handling a main motion are:

1. A committee member makes a motion:

“I move that...”

2. Another committee member seconds the motion:

“I second the motion”

3. The Chair states the motion:

“It is moved and seconded that...”

4. The Chair opens the floor to debate:

“Is there any discussion?”

5. The committee members debate the motion – members must indicate their desire to speak and be recognized by the Chair prior to providing comments

6. Once the debate is completed, the Chair puts the motion to a vote (also known as “calling the question”):

“We are now voting on the motion to..... Those in favour?” [those voting in favour raise their hands] “Those opposed?” [Those voting against indicate by raising their hands.]

7. The Chair announces the result:

“Motion passes.”; “Motion defeated”; or “Tie vote – motion defeated.”

Amending Motions

An amending motion is a motion to change the wording of the main/original motion before voting on it. An amendment is always dealt with before the main motion. In effect, the amendment temporarily sets aside the main motion which it proposes to modify. A motion to amend is debatable and requires the same steps as a main motion. An amendment cannot in the Chair's opinion negate the intent of the main motion.

Three methods of amending a motion:

1. By inserting or adding words

“I move that the motion be amended by inserting the word[s]... between the word ... and the word...”

OR

“I move that the motion be amended by adding the word[s].....”

2. By striking out words

“I move that the motion be amended by deleting the words ...”

3. By striking out words and inserting replacement words

“I move that the motion be amended by deleting the words And inserting the words in their place.”

In the event an amendment is perceived by all members present as an enhancement to the original motion, often only as clarification or intent, it may be considered a “friendly amendment” and may be accepted by unanimous consent.

Debating Motions and Amendments

When an amendment is made, discussion is allowed on the amendment only, not on the main motion. Once the vote on the amendment is taken, discussion proceeds on the main motion (as amended if the amendment passed).

Motion to Withdraw a Motion

A motion may be withdrawn by the mover and seconder of a motion, with the consent of all members present. A motion may not be withdrawn after it has been voted on.

Point of Order

Point of Order is a statement that a rule of the committee is being violated. It is ruled on by the Chair whose decision may be appealed to committee and decided by committee resolution. The Chair must not vote on the resolution for their decision to be sustained. The resolution to sustain the Chair's decision passes in affirmative if the votes are equal.

Recess

Recess is a motion to take a break in the meeting. A motion or call for a recess should specify the amount of time to be taken for the recess.

Reading of Motions

A member may require the motion under consideration to be read. The Committee Clerk would then read the motion out loud. Sometimes the Committee Clerk will ask to read a motion if they are unsure what it is or if they feel others may not understand the exact motion being considered.

Rules of Decorum and Debate

Committee meetings tend to be more informal than a City Council meeting, however, here are some meeting rules which are helpful and should be used by the committee:

- The maker of a motion has the right to speak first to their motion
- In order to speak a second time, a member should wait until all those who wish to speak have done so for the first time
- Members must remain courteous and avoid personal attacks on each other and staff
- Remarks must be confined to the motion before the committee
- Remarks are always directed "through the Chair"
- Member should not interrupt another speaker except to raise a point of order
- Motions should be phrased concisely and clearly

Appendix “B”

Additional Information on Sub-Committees and Working Groups

Sub-Committees and Working Groups

Some important points to note:

- Council is advised of the establishment of sub-committees and working groups and their purpose through receipt of advisory committee meeting minutes
- If the establishment of either a sub-committee or working group would likely require the commitment of significant City resources and/or staff time, Council would want to consider a committee recommendation and/or a staff report (scope and process) prior to any work being undertaken by the proposed sub-committee or working group
- Sub-committees (and working groups) should not have a Terms of Reference because they are a product of the principal advisory committee (principal committee) and, therefore, operate under its guidelines
- Sub-committees and working groups, when struck, should be delegated with a specific task by the principal committee. That task (purpose) should be clearly understood by all the advisory committee members, and outlined in the meeting minutes of the advisory committee so that the direction and purpose of the sub-committee/working group is documented
- Sub-committees and working groups as a whole may not bring forward written or verbal recommendations (a.k.a. considerations or suggestions) to the principal committee, because sub-committees exist for research/investigative purposes only
- If a sub-committee or working group, as a “collective”, were to bring forward recommendations (considerations or suggestions) to a principal committee for discussion, then the sub-committee or working group would essentially be “pointing the needle”, which is work that should be done in a public meeting and, therefore, the sub-committee (or working group) would need to have an agenda, minutes, and a record of how those recommendations (or considerations or suggestions) came to be
- In a nutshell, sub-committees and working groups are a tool to assist a principal committee. Of course, when a sub-committee’s or a working group’s written or verbal report is presented during a principal committee meeting, members of the sub-committee or working group – as individual members of the principal committee – can state their individual suggestions during discussion of the item
 - **Recommendations to Council, however, must be that of the majority of the principal committee, and not that of a few, select sub-committee or working group members**

- Sub-committees and working groups may only have a limited number of members. The number of group members must not equal a quorum of the principal committee members, i.e. must be less than the 50% majority of principal members needed for quorum
 - For example, a committee with 12 principal members (organization and citizen representatives, excluding the Chair/Vice Chair), could establish a sub-committee of 5 members or less
- Sub-committees and working groups may work on their own or in partnership with the staff lead(s) and report back about their investigative research and findings to the principal committee for discussion
- In general, these groups are meant to undertake their work without regular support from staff or the City Clerk's Office

Any questions for staff regarding the purpose or work of sub-committees and working groups should be directed by email to the Committee Clerk at committeeclerk@coquitlam.ca.
