#### WHAT'S NEW?

### New Facilities and Park Upgrades Delivered in 2021–2022

Two new recreation facilities, a new park and upgrades to a number of public spaces are on track for delivery in Coquitlam this year.

The opening of the new Place Maillardville Community Centre, Coquitlam Family YMCA and Sheffield Park are among seven major projects still to be completed in 2022. Additionally, eight capital projects were finished over the past year, including the new Town Centre Park washrooms, expansions to Poirier Sport and Leisure Complex and City Centre Aquatic Complex, and the Burke Mountain Discovery Centre and Café.

This important work is key to meeting the community's current and future needs and is supported by long-term financial planning – including the Five-Year Capital Plan for 2022–2026 – and overall strong fiscal responsibility.

Updates on parks projects can be found at [coquitlam.ca/parkprojects](https://coquitlam.ca/parkprojects). Information about facility projects can be found at [coquitlam.ca/facilityprojects](https://coquitlam.ca/facilityprojects).

#### LOOKING OUT FOR THE ENVIRONMENT

### Boulevard Maintenance Amenities Tips

As spring yard work projects get underway, residents who live next to City boulevards are reminded to maintain this public space. Please note the following:

- Landscaping material, such as bark or other loose materials must be kept off any nearby sidewalk, multi-use pathway or road.
- Do not construct any structures on City property including fences, retaining walls, rails, stairs, planters, raised garden beds, rockeries, and irrigation systems.
- Paving with asphalt, concrete or any impervious surface is not allowed.

Visit [coquitlam.ca/boulevard](https://coquitlam.ca/boulevard) for details and more information.

#### NEIGHBOURHOOD NEWS

### Reconnect with Neighbours this Summer

Coquitlam's popular block party program is back with grants and free liability insurance, plus new add-ons such as tree-planting sessions and play kits with games and activities. Residents can apply for a \$150 grant to help with food or supply purchases, equipment rentals, entertainment or other costs. Don't forget to download the Block Party Handbook for great activity ideas! New this year, block party organizers can request a visit from ambassadors of the City's Tree Spree tree-planting initiative, who will bring one or two free ornamental trees and demonstrate how to plant and care for them.
