Legend

Garbage Collection

Holiday, no collection

Carts cannot be set out before 5:30 a.m. on collection day as per Bylaw No. 4679.

Seasonal Unlimited Yard Trimmings Collection

Six weeks every spring and fall, residents can put out extra yard trimmings for pick-up on their regular collection days in paper bags, tied bundles or old garbage cans.

Collection dates are weather dependent and will be announced online and in the newspaper in early fall and early spring each year. Sign up for the City's Curbside Collection app to be notified or visit coquitlam.ca/YardTrimmings.

Large Item Pick-up Program

From July 1 to June 30 every year, residents who receive curbside collection from the City can have up to four large household items collected from their house.

To schedule a pick-up, call **604-636-3521** or email cityofcoquitlam@wasteconnections.com.

For details, visit coquitlam.ca/LIPU.

Know the Bylaws

Secure Garbage From Wildlife:

Residents are responsible to ensure their waste does not attract wildlife. As per Bylaw No. 4284, waste must be secured between collection days so it cannot be accessed by wildlife (e.g. stored in a shed, garage, indoors, etc.). Also, as per Bylaw No. 4679, carts cannot be set out before 5:30 a.m. on collection days. Violation of these bylaws can result in a \$500 fine per incident.

Please note, **Green Cart clips are not bear-proof** and cannot be used to secure waste. For more information, visit coquitlam.ca/BearSmart.

Separate Your Waste:

Ensure you separate your waste correctly. Putting waste in the wrong container may result in your material not being collected. To search how to separate your waste properly, visit coquitlam.ca/WasteWizard.

Snow and Ice

Collection may be disrupted by weather events. For more information and service updates due to snow and ice, visit coquitlam.ca/WinterWise.

On Collection Day

- Make sure lids are closed completely. Overfilled carts may not be collected.
- Unclip the Green Cart lid and connect the clips together to prevent lid damage.
- Set the carts so they face out towards the street, with the wheels placed against the curb or edge of the road.
- Place carts 1 metre apart, 1.5 metres away from any vehicles, and with 3 metres of open space above the closed lid.
- Do not use “biodegradable” or “compostable” plastic bags in the Green Cart.
- Ensure carts do not block vehicle traffic or sidewalks, wherever feasible.
- For more information, visit coquitlam.ca/ReCollect.
