QUESTIONS AND CLARIFICATIONS

Q1. Is a Bid Bond required?

A1. At this point in time, no Bid Bond is required.

Q2. We've failed to find it in the schedule section for demos and removals. Do we have that or should we consider a Lump Sum? If it is to consider as a Lump Sum, where should we allocate that cost??

A2. This project primarily involves the replacement of existing structures and systems. Therefore, demolition, clearing, and removals are considered incidental to each work package. For instance, the pricing for the installation of a new 1.2-meter height fence must include the removal of existing 1.2-meter height fence sections.
