

Addendum No. 1

City of Coquitlam

RFP No. 24-061

Consulting Services for Mackin Park Ball Diamond Renewal

Issue Date: August 30, 2024

Total Page Count: 1

Proponents shall note the following amendments to the RFP documents:

QUESTIONS AND CLARIFICATIONS

- Q1. Is Site Survey to be included by the Consultant, or will it be City provided?
- A1. The Consultant is required to perform a topographic survey, which must include all surface features and underground utilities, along with related utility elevations (e.g., drainage RIM, invert, sump, etc.).**
- Q2. For the demolition of the existing building, will the City be providing an Environmental and/or Hazard review/report of the building to be demolished to be included in the RFP for the baseball field renewal?
- A2. The City will handle the preparation of a hazardous materials survey for the existing building. Currently, no other hazardous material risks have been identified within the project boundaries**

End of Addendum No. 1

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal Submission.
