QUESTIONS AND CLARIFICATIONS

Q1. Are there any restrictions regarding a Canadian-operated company that is owned by an American Enterprise (parent), particularly in working on this RFP/ contract?

A1. Companies are generally eligible to participate in the RFP process and any resulting contract, provided they comply with Canadian regulations and the specific terms outlined in the RFP documents. However, given the requirement to sign a Non-Disclosure Agreement (NDA), we kindly request that you provide the NDA documentation and Response Confirmation Form for our review.

Q2. In light of the upcoming holiday season, during which time many people will be away, would it be possible to extend the deadline for questions and the deadline for final submission by a week (January 9 and January 13, respectively)?

A2. At this point in time, the City will not be extending the Closing Date and Time. Please monitor the City's website for further addenda.
