DEFINITIONS

“Agreement” “Contract” means the contract for services or City Purchase Order that will be issued to formalize with the successful Proponent through negotiation process with the City based on the proposal submitted and will incorporate by reference the Request for Proposals, Specifications, Drawings, any additional subsequent information, any addenda issued, the Proponent’s response and acceptance by the City.

“City” “Owner” means City of Coquitlam;

“Contractor” means the person(s) firm(s) or corporation(s) appointed by the City to carry out all duties, obligations, work and services described in the Request for Proposal and all associated documentation, which may also include mutually agreed revisions subsequent to submission of a Proposal. Both “Contractor” and “Proponent” are complementary in terms of duties, obligations and responsibilities contemplated at the Request for Proposals stage, through evaluation process, execution and performance of the services and Works.

“Price” means the amount that will be paid by the City to the Contractor for delivery and acceptance of goods and Services;

“Project Manager” means the City staff member appointed to coordinate the Work;

“Proponent” means responder to this Request for Proposals;

“Proposal” means the submission by the Proponent;

“Request for Proposals” “RFP” shall mean and include the complete set of documents, specifications and addenda incorporated herein, and included in this Request for Proposals;

“Services” “Work” “Works” means and includes the provision by the successful Proponent of all services, duties, and expectations as further described in this RFP. This will also mean the whole of the Work, tools, materials, labour, equipment, travel, and all that is required to be done, furnished and performed by the Contractor;

“Shall” “Must” “Will” “Mandatory” means a requirement that must be met;

“Supply” “Provide” shall mean supply and pay for and provide and pay for.

1. INSTRUCTIONS TO PROPONENTS

1.1. Acknowledgement

The City acknowledges with gratitude and respect that the name Coquitlam was derived from the hə́hə́míhə́m (HUN-kuh-MEE-num) word kʷikwə́łəm (kwee-KWET-lum) meaning “Red Fish Up the River”. The City is honoured to be located on the kʷikwə́łəm traditional and ancestral lands, including those parts that were historically shared with the ǵíćə́y (kat-zee), and other Coast Salish Peoples.

1.2. Purpose

The purpose of this RFP is to invite Proposals from professional, qualified, experienced companies for **Building Exterior Washing & Sealing**.

1.3. Site Visit

The non-mandatory site visit will only be at City Hall and Public Safety Building, Proponents are encouraged to visit the other sites on their own.

1.4. Proposal Submission

Proponents should complete and submit the information requested in this RFP document on the Proposal Submission Form or in a format that has been approved and is acceptable to the City.

1.5. Instructions to Proponents

Proponents are advised that the rules for participation that will apply to this RFP are located: [Instructions to Proponents](#).

By submission of a Proposal in response to this RFP, the Proponent agrees and accepts the rules by which the bid process will be conducted.

1.6. Prices

Prices shall be all-inclusive and stated in (Canadian Funds). Prices shall remain FIRM for the completion of the Services.

Prices shall include the provision of all tools, materials, equipment, labour, transportation, fuel, supervision, management, overhead, materials, traffic control, services, all necessary packing and crating (where applicable), Canadian Customs import and export duties, freight, handling, insurance, all other associated or related charges, foreign, federal, provincial and municipal taxes, bonding costs, all licences, permits, inspections and all other requirements necessary for the commencement, performance and completion of Services as described.

Taxes are to be shown separately at time of invoicing.

The lowest price of any Proposal will not necessarily be accepted but will be analyzed to determine best overall value.

1.7. Requested Departures

The Proponent acknowledges that the departures requested in the Proposal Submission Form will not form part of the Contract unless and until the City specifically consents in writing to any of them. The City may not consider any departures not stated in the Proponent’s Proposal Submission.

1.8. Evaluation Criteria

The City uses Microsoft Word to aid the transfer of Proponents information to an evaluation document. Proposal Submission Form responses should provide direct answers or a concise summary of attachments. If attachments are required, ensure to provide a summary for each question then direct the City to the appropriate section within the attachments.

Lower scores may be recorded if Proposal Submission Forms are:

- Not in Microsoft Word
- Only answering questions with "see section x in attached document".

Evaluation Criteria of each proposal will be determined in accordance with the following:

Proposal Evaluation Summary	Maximum Points to be Awarded

These criteria will be used to determine best overall value to the City. Proposals will be compared to select one or more that are most advantageous.

And, upon selection of one or more lead Proponent(s):

- References may be contacted
- Interviews may be conducted

The City reserves the right to check references on other projects even if they are not specifically listed. Information obtained from references will be confidential and will not be disclosed to any Proponents.

These criteria will be used to determine best overall value to the City as well as any other criteria that may become evident during the evaluation process.

The City may, at its discretion, request clarification or additional information from a Proponent with respect to any Proposal and the City may make such requests to only selected Proponents. The City may consider such clarifications or additional information in evaluating a Proposal.

Incomplete Proposals or Proposals submitted on forms other than the Proposal Form may be rejected.

Proponents agree the City may disclose names of Proponents and total award amount, however, unevaluated results, unit prices, rates or scores will not be provided to any Proponents.

The City reserves the right to reject without further consideration any Proposal which in its opinion does not meet the criteria it considers essential for the Work outlined in this RFP.

Where only one Proposal is received, the City may reject such and re-issue the RFP on a selected basis.

1.9. **Eligibility**

For eligibility, and as a condition of award, the successful Proponent would be required to meet or provide the equivalent:

- a) Commercial General Liability (CGL) insurance \$5M coverage provided on the [City's Standard Insurance Form](#)

- b) [Prime Contractor Designation Form](#) and be responsible for all the Work at the site in accordance with WCB regulations

These items are not required as part of this Proposal Submission but will be required prior to entering into an agreement with the City for Services.

1.10. Project Timeline

Estimated timelines for the project are:

Project Cannot Start Any Earlier Than: June 1, 2025

Final Completion: September 5, 2025

***City Hall and Public Safety Building must be completed during the month of August**

Alternate Products

Wherever the Specifications state a brand name, make, name or manufacturer, trade name, or Supplier catalogue number, it is for the purpose of establishing a grade or standard. It is not intended to rule out competition from equal brands or makes.

Requests for any proposed alternate product to be **submitted and approved by questions deadline**. Proponents shall clearly indicate any variances from the City's Specifications and attach descriptive literature.

2. GENERAL CONDITIONS OF CONTRACT

2.1. Terms and Conditions of Contract

The City's [Standard Terms and Conditions - Purchase of Goods and Services](#), as published on the City's website, the Conditions listed in this RFP, along with the accepted Proposal, addenda and any subsequent clarifications, correspondence, the totality of which will constitute the Contract.

3. SCOPE OF SERVICES

3.1. Scope of Services

The Scope of Work includes cleaning the entire exterior surface and applying a protective sealant, as detailed in **Appendix A – Sealing Specifications**. Work includes but not limited to:

- a) Building Exterior Washing
 - i. Surface Preparation:

- Assess the condition of the building's exterior, identifying any areas of concern such as cracks or damaged surfaces that may need repair prior to washing.
 - Protect landscaping, windows, doors, and any other areas that do not require washing.
 - Repointing of mortar where required
- ii. Washing Methodology
- Use appropriate washing techniques based on building materials, including soft washing for delicate surfaces and pressure washing for durable areas.
 - Remove dirt, mold, mildew, algae, and other contaminants from the building's exterior, ensuring all surfaces are thoroughly cleaned, including but not limited to:
 - Brick, stucco, or concrete walls
 - Windows and window frames
 - Doors and door frames
 - Roof overhangs, eaves, and gutters
 - Balconies, stairs, or patios (if applicable)
 - Metal sun shades – window overhangs --> CH/PSB
 - Glass awnings over doors
- iii. Cleaning Agents:
- Use environmentally friendly, non-toxic cleaning agents that do not damage the building materials or landscaping.
 - Required to provide MSDS sheets for products
- iv. Site Safety & Protection
- All booms or scissor lifts must have non-marking wheels
 - All pavers must be protected in advance of lifts being driven on
 - All operators must have certification with operating lifts
 - Pedestrian overhead protection and pedestrian traffic management safety measures
- v. Site Access & Limitations
- City Hall – Café Divano (located on the South side of the building off Burlington Street). Pressure washing/sealing of brick work directly above Café Divano MUST be completed during off hours
 - City Hall – Underground Parkade Entrance (located on South side of building off Burlington street) Pressure washing/sealing of brick work around the underground parkade entrance must be completed either;
 1. By providing a flagger to maintain single lane access OR
 2. To be completed on a weekend
 - Public Safety Building – Sally Port Doors (North and South Underground Entrances). Pressure washing/sealing of brick work around the underground parkade entrances must be scheduled in

advance with the City Project Manager. One Sally Port door must remain accessible at all times, work on North and South side must be staggered

- Austin & Burke Mountain Fire Hall – The contractor is to provide free and clear access for Fire – only one truck bay door may be blocked at any given time and must be coordinated in advance with the City's Project Manager
- City Hall – Lower Plaza (South side of building off Burlington Street). Due to the dimensions of pavers in place, double protection is required to ensure no pavers are damaged when using a lift
- City Hall - Upper Plaza (South side of building off Burlington Street). Access to the Upper Plaza is via ramp off lower plaza. Smaller lift will be needed to traverse ramp
- City Hall & PSB Lift Storage – The City will provide two (2) parking stalls in the loading bay off Guildford between the two buildings to store the lift. The contractor is responsible for the security and safety of equipment stored on site
- City Hall & PSB Parking – Parking is first come first serve in the lot West of PSB. Pay parking is available on the East side of Pinetree Way. Do not park in the lot South of City Hall off Burlington, this is reserved for Glen Pine Pavilion and unregistered vehicles will be ticketed accordingly
- Austin & Burke Mountain Fire Hall Lift Storage – The City will provide five (5) parking stalls at each Fire Hall for the duration of work on-site. It is at the contractor's discretion to utilize these for parking or lift storage. The contractor is responsible for the security and safety of equipment stored on site.
- Parking is first come first serve in CH parking lot. Decide between loading bay
- They can only block off one bay door at a time at the fire halls

b) Building Sealing

As per **Appendix A – Sealing specifications**

c) Locations (See figure 1)

- City Hall - 3000 Guildford Way
- Public Safety Building - 2986 Guildford Wy
- Austin Fire Hall - 428 Nelson Street
- Burke Mountain Fire Hall - 3501 David Ave

***Patios = pressure wash everything, seal concrete and brick DO NOT SEAL GRANITE/STONEWORK**

The City may award contracts for any combination of the buildings listed in this RFP and reserves the right to exclude specific buildings (e.g., Austin or Burke) from the award at its sole discretion.

3.2. On-Site Hazards

The Contractor is to make themselves aware of any and all on-site hazards including but not limited to underground and overhead utilities in or near to the Work area and to take every precaution necessary to eliminate any risk that may exist. If an on-site hazard exists that is causing or may cause injury to any person(s), the Respondent is to take immediate action to mitigate risk and damage, and then to notify the City's contact person.

The locations of all such hazards are to be investigated and verified in the field by the Contractor.

3.3. Protection of Public

The Contractor shall take adequate measures to protect the public, City staff, and all others on site from injury, damage, or other loss resulting from maintenance operations and related activities.

The Contractor shall promptly report to the City any safety incidents as they occur.

3.4. Public Relations

Good public relations must be maintained at all times by the Contractor, the Contractor's employees, and representatives. All enquiries and complaints must be satisfactorily resolved in a courteous and businesslike manner and be acted upon within a 24-hour period.

3.5. Clean Up

At the end of each day the Contractor shall ensure the site is safe and secure and, at the conclusion of Work, the Contractor shall clean out all debris promptly remove any equipment or materials and leave the site of the Work in a clean and tidy condition.

3.6. Hours of Work

Unless otherwise advised the Contractor shall carry out the Work during regular business hours, and in compliance with the City's Noise Bylaw. Permits will be required for Work outside of normal Working hours. The Contractor shall be responsible for obtaining any such permits.

3.7. Frequency of Invoicing

Contractor to Invoice on a monthly basis for Work that has been completed up to date of invoice and not previously invoiced and paid.
