I, _____,
print name

hereby declare I am qualified and licenced to apply structural pest management techniques to manage and control rodent infestations.

I declare that the building and property located at:

Civic address

has been inspected by me and evaluated for the presence of rodents. My findings are summarized as follows:

I have taken all necessary actions, using appropriate integrated pest management techniques, to eradicate any rodents found inside the building and on the property.

Specifically, (check the options that apply):

- No control measures were required as no evidence of current rodent activity was found
- Mechanical traps and/or bait stations were used to check for current rodent activity
- Use of mechanical trapping methods were necessary to control rodents
- Use of approved rodenticides were necessary to control rodents

As of the date below, I confirm there was no evidence of rodent activity on the subject property.
