

Addendum No. 2

City of Coquitlam

RFP No. 26-043

Riverview Park Playground Replacement

Issue Date: February 2, 2026

Total Page Count: 2

Proponents shall note the following amendments to the RFP documents:

QUESTIONS AND CLARIFICATIONS

Q1. After conducting a site visit, we've noticed there is an issue with tree encroachment into the play space. Can you confirm the City will work with the Contractor and assume responsibility for addressing this issue prior to the commencement of installation?

A1. Yes, The City will be responsible for addressing the tree encroachment prior to installation date.

Q2. Regarding 3. Technical (b) Design Details IV on p. 6 of 9: The RFP says this: "Two sets of plan drawings to scale for each park and the respective play structure Proposed. Plan drawings are to show layout within the footprint of each park as per the applicable Appendix Drawings, and to clearly illustrate no-encroachment zones, clearances, and required protective surfacing zone and depth. Physical drawings, models, etc. may be requested from one or more Proponent(s):" Since this is an electronic submission, can you confirm one set of compliant drawings for Riverview Park is sufficient?

A2. Yes, for this electronic Proposal, one set of compliant drawings for Riverview Park is sufficient.

Q3. May we clarify if multiple design options can be provided for the above-noted Request for Proposal?

A3. Proponents are to submit one Proposal only in response to the RFP.

End of Addendum No. 2

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal Submission.
