I can go to camp

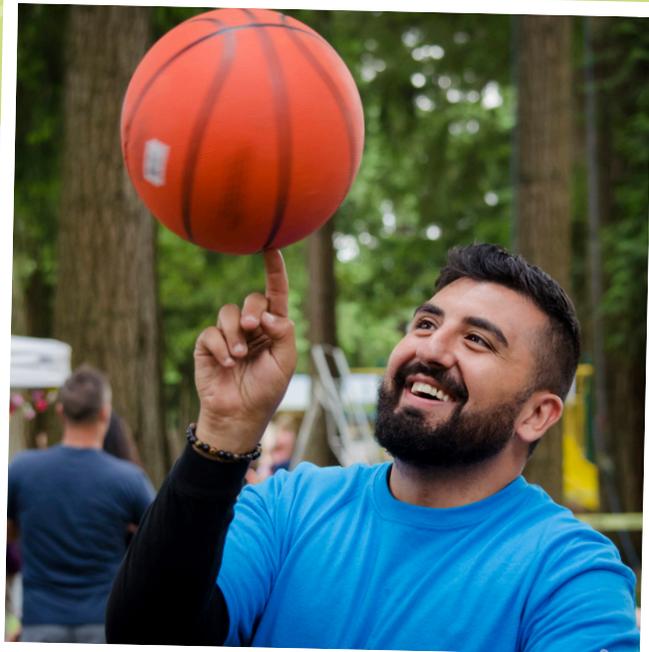

**I get to go to camp!
It will be so much fun.**

At camp there are leaders who plan fun activities for me.

When I arrive, the leader will say hello and ask me what my name is.

Whenever I need help, I can ask the leader.

We will do different activities like games, crafts and sports.

Camp can be inside a recreation centre or outside in a park.

We might visit different places during the day, like the gym.

I will bring a backpack with things I need for camp, such as lunch, snacks and a water bottle.

I will also bring clothing for the weather, like a jacket and hat.

If I have a special item that comforts me, I can put that in my backpack too.

**There will be other children
at camp.**

**I can introduce myself by
waving and saying hello.**

**We will play lots of games
and it's ok if I win or lose.**

We are having fun together!

**Sometimes camp can be loud.
If I need a quiet break, I can
ask the leader.**

**When I am feeling ready,
I will rejoin the activity.**

I will make sure I can always see the leader and they can always see me.

When it's almost time to go, the leader will ask me to help clean up and put things away.

Then my special person will pick me up and I will say goodbye to my leader and new friends.

**Camp is so much fun!
I will have a great time.**
