Applicant Acknowledgement

The personal information collected on this form is collected in accordance with the *Freedom of Information and Protection of Privacy Act*. The City has authority to collect your information for the purposes of administering the Sign Permits System in accordance with Division 10 of the *Community Charter*. Applicants are advised that all processes are public and any materials submitted become part of the public record. All information submitted may be used for reports to Council, available to the public upon request and distributed on the City's website. Should you have any questions or concerns about the collection and/or release of your personal information please call the Supervisor of Planning Services at 604.927.3430.

By signing this application form, the applicant/owner attests that the information provided on this and supplemental application forms for land use permits from the City of Coquitlam is true and correct to the best of their knowledge. Any material falsehood or any omission of a material fact made by the applicant/owner with respect to this application may result in an issued permit becoming null and void.

I, the applicant/owner hereby apply to the City of Coquitlam for issuance of a Sign Permit under the provision of the City of Coquitlam Sign Bylaw. By signature hereon I/we declare that all information provided in the support of this application is true and correct. I/We fully understand that the acceptance of a permit fee and/or the issuance of a sign permit by the City of Coquitlam is done solely to satisfy the requirements of Sign Bylaw and does not convey or imply assurance by the City of Coquitlam or its employees that I/we are in conformity with any or all other city bylaws and regulations. I/We further understand this is only an application and does not constitute the approval of any signs, and verbal approval is never given. I, the applicant/owner, certify that this application is being made with the full knowledge and consent of all owners of the property in question.
