

City of Coquitlam EPLANS

SUBMISSION & REVIEW

Coquitlam is now offering electronic plan submissions for single-family home developments.

Features

- online application portal
- easily upload electronic documents and drawings
- no paper and printing costs
- faster processing times
- efficient communication from plans reviewers to applicant
- centralized and open file access
- City staff conduct electronic reviews and mark-ups, reducing manual calculations and notations
- faster turn-around time on resubmissions

Requirements

- Must be proficient in CAD.
- Must attend a training session at Coquitlam City Hall.
