

Noise Bylaw - Construction

NOVEMBER 2020

REGULAR HOURS:

- Monday to Friday – 7 a.m. to 8 p.m.
- Saturdays – 9 a.m. to 6 p.m.

RESTRICTED HOURS:

- Sunday and Holidays – 9 a.m. to 6 p.m.

Sunday and Holiday hours are permitted for **not for profit construction only** (such as a homeowner building a deck).

Owners and professional builders constructing new homes through BC Housing's Licensing and Consumer Services are deemed to be working for profit or gain and are therefore prohibited from creating construction noise on Sundays and Holidays.

Hourly restrictions relate to loud work that is a nuisance to neighbours only.

Construction activities that take place quietly indoors and don't disturb neighbours, such as painting or electrical installations, are permitted at any time.

Please visit coquitlam.ca/goodneighbour for more details on these and other Good Neighbour Development practices and policies.
