

# Coquitlam Snow Response Plan

- Priority 1** Maintenance of safe travel routes and accessibility for emergency vehicles and transit vehicles on streets classified as Priority 1 routes. These include arterials, collectors, emergency and bus routes.
- Priority 2** Maintenance of safe travel routes and accessibility for vehicles on streets classified as Priority 2 routes, including non arterial and collector routes that provide access to school sites, community care facilities and subzones that contain a high percentage of local roads with grades in excess of 10%, during icing and storm conditions. Priority 2 route response may be advanced, or delayed, due to event intensity, severity or duration.
- Priority 3** Maintenance of safe travel routes and accessibility for vehicles on streets classified as Priority 3. This includes all remaining roads not identified as Priority 1 and 2 and Critical Lanes. Priority 3 response may be advanced or delayed due to event intensity, severity and duration.
