

Coquitlam Crunch Trail

Parking Lot Construction

As part of the improvements to the Coquitlam Crunch, the parking lot will undergo construction over summer 2021. The work is expected to be complete by the end of the summer.

Alternate Ways to Get to the Crunch this Summer

While improvements are underway, parking will be impacted and trail users are encouraged to use other forms of transit:

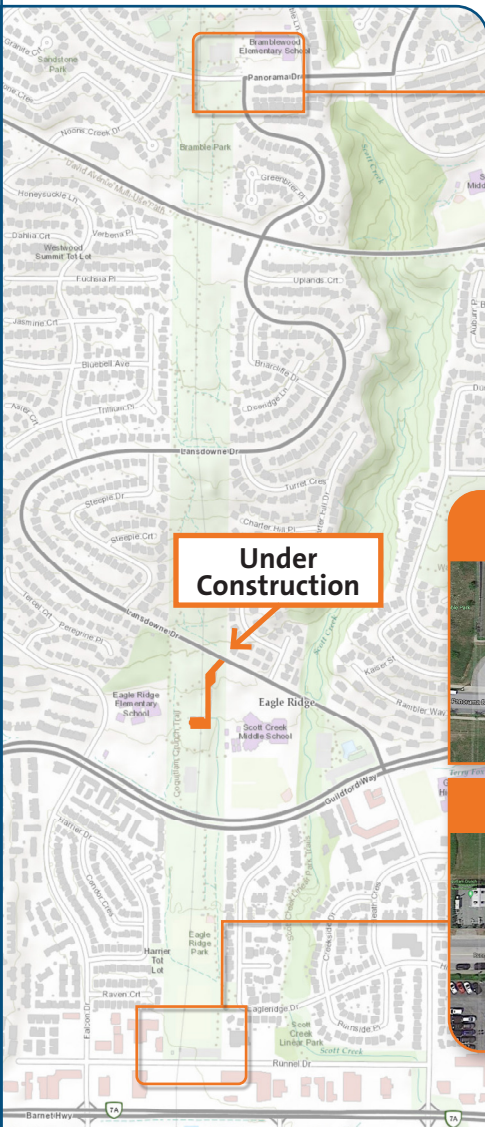

- Start your warm-up by walking to the trail.
- Take transit – several bus stops are located at various entry points of the Crunch.
- Carpool with friends.

With the Lansdowne Drive parking lot closed, those who require a vehicle to travel to the Crunch should avoid

parking along Lansdowne and seek alternative parking locations at the Runnel Drive parking lot and the Bramble Park courts parking lot on Panorama Drive.

Please respect the neighbours to the trail and obey all parking and traffic signs and signals.
