

Addendum No. 1

City of Coquitlam

RFP No. 22-046

Strategic Transportation Plan

Issue Date: June 29, 2022

Total Page Count: 1

Proponents shall note the following amendments to the RFP documents:

QUESTIONS AND CLARIFICATIONS

- Q1: Will the consulting team for this study be expected to update the travel demand model based on the 2021 Census Data to be released in Oct 2022, or will the consulting team simply be expected to extract the sub-area model from the regional model that will be updated by others?
- A1: **The City will be providing the current version of the Coquitlam Sub-Area Model that has been calibrated using the 2017 Regional Trip Diary Survey. The Consultant will need to update the model based on the 2021 Census Data.**
- Q2: Are community/stakeholder surveys expected to be fully online, or is a mailout expected?
- A2: **Surveys will generally be conducted online. The City will provide alternate methods (e.g., mailout) upon request by residents, to allow them to complete the survey.**
- Q3: Is the City willing to grant a Closing Date extension?
- A3: **At this point in time, the City will not be extending the Closing Date and Time.**

End of Addendum No. 1

Proponents take into account the content of this Addendum in the preparation and submission of the Proposal which will form part of the Contract and should be acknowledged on the Proposal Submission Form.

Upon submitting a Proposal, Proponents are deemed to have received all addenda that are issued and posted on the City's website and considered the information for inclusion in the Proposal submission.
